They will be foraging for food at Rudding Park and using the ingredients in this month's Yorkshire Food Heroes menu.</p> <p>October's Food Hero is Ampleforth Abbey Orchard where apples have been grown for well over 100 years and monks still provide the workforce.</p> <p style="text-align: center;">For recipes using produce from our local suppliers, see the Food Heroes pages under Clocktower at www.ruddingpark.co.uk</p>
